

ASTCT 2024 Clinical Education Conference
October 17–18, 2024
St. Louis, MO

TARGET AUDIENCE

This activity is intended for physicians, fellows, advanced practice providers (APPs), and in-training health care professionals who treat patients with hematopoietic cell transplantation and cellular therapies.

PROGRAM OVERVIEW

The ASTCT Clinical Education Conference (CEC) provides a deeper understanding of the diagnostic evaluations and therapeutic treatments for acute and chronic complications of hematopoietic cell transplantation and cellular therapies. During this two-day event, learners will participate in breakout sessions that will dig deeper into case studies and treatments of either the adult or pediatric patient populations. In addition, the CEC offers a track specially designed for beginners (defined as individuals at about one year into their professional careers).

LEARNING OBJECTIVES

Upon completion of this course, the participants should be able to:

- Describe the latest trends in the stem cell transplantation and cellular therapy fields
- Incorporate new or additional methods of supportive care to reduce patient complications and improve quality of life
- Identify opportunities to improve your current clinical practice

INSTRUCTIONS FOR PARTICIPATION AND REQUESTING CREDIT

There are no fees for participating and receiving credit for this activity. Successful completion is achieved by reviewing the CE information, completing the activity, and completing the post-test and evaluation form.

Credit Fulfillment

- If you are requesting AMA/ANCC credits or a certificate of participation, your certificate will be available for download

ACCREDITED PROVIDERS

This activity is provided by The France Foundation in collaboration with the American Society for Transplantation and Cellular Therapy (ASTCT).

ACCREDITATION STATEMENT

In support of improving patient care, The France Foundation is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the health care team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Physician Credit Designation

The France Foundation designates this live activity for a maximum of 13.5 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

The France Foundation designates this activity for 13.5 contact hours.

All other health care professionals completing this accredited activity may receive a statement of participation.

DISCLOSURE POLICY

In accordance with the ACCME Standards for Commercial Support, The France Foundation (TFF) and ASTCT require that individuals in a position to control the content of an educational activity disclose all relevant financial relationships with any commercial interest. TFF and ASTCT resolve all conflicts of interest to ensure independence, objectivity, balance, and scientific rigor in all their educational programs.

Furthermore, TFF and ASTCT seek to verify that all scientific research referred to, reported, or used in a CME/CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. TFF and ASTCT are committed to providing learners with high-quality CME/CE activities that promote improvements in health care and not those of a commercial interest.

Planning committee members, faculty, reviewers, and activity staff have disclosed the following relevant financial relationships. All relevant financial relationships listed have been mitigated.

Name of Individual	Role in Activity	Name of Commercial Interest(s)	Nature of Relationship(s)	Mechanism(s) implemented to resolve conflict of interest
Alexandra Gomez Arteaga, MD	Planning Committee Member	1. Kite Pharma	1. Non-CE Consulting	The following financial relationship was mitigated by ending in October 2023 <ul style="list-style-type: none"> ▪ Kite Pharma

				All final planning decisions concerning content, learning objectives, and evaluation questions were made by the non-conflicted planning committee members

Disclosure of Unlabeled Use:

TFF and ASTCT require faculty (speakers) to disclose when products or procedures being discussed are off label, unlabeled, experimental and/or investigational, and any limitations on the information that is presented, such as data that are preliminary, or that represent ongoing research, interim analyses, and/or unsupported opinion. Faculty in this activity may discuss information about pharmaceutical agents that are outside of US Food and Drug Administration approved labeling.

This information is intended solely for continuing medical education and is not intended to promote off-label use of these medications. TFF and ASTCT do not recommend the use of any agent outside of the labeled indications. If you have questions, contact the Medical Affairs Department of the manufacturer for the most recent prescribing information.

COMMERCIAL SUPPORT ACKNOWLEDGMENT

This activity is currently not supported by any independent medical educational grants.

Disclaimer

TFF and ASTCT present this information for educational purposes only. The content is provided solely by faculty who have been selected because of recognized expertise in their field. Participants have the professional responsibility to ensure that products are prescribed and used appropriately on the basis of their own clinical judgment and accepted standards of care. The France Foundation, ASTCT, and the commercial supporter(s) assume no liability for the information herein.

CONTACT INFORMATION

If you have questions about this CME/CE activity, please contact The France Foundation at 860-434-1650 or info@francefoundation.com.
